

## Chastity & Billy – Scene 3

*(CHASTITY and BILLY in BILLY's room. They sit on his bed.)*

CHASTITY

So what happened to your Mom?

BILLY

Nothing.

CHASTITY

Home come she's in a mental institution?

BILLY

It's a mental hospital.

CHASTITY

I wish my Mom was in a mental institution.

BILLY

What's wrong with her?

CHASTITY

She's always telling me to do stuff: Like, Chastity, clean up your room, Chastity, don't lie on the floor like that, Chastity, put some clothes on.

BILLY

That's tough.

CHASTITY

You know why I like you Billy?

BILLY

Why?

CHASTITY

Cause there's no sexual tension at all.

BILLY

Oh.

CHASTITY

It's obvious with some guys, you know? They like you and they want to roll around on the ground with you and touch you places. And I know I'm not supposed to let them do that, but then what am I gonna say, "no"? But then I look at you and I'm just totally not attracted to you and that's great. You're such a good friend.

BILLY

Right.

CHASTITY

I've never had a friend like you. Hugs!

BILLY

Hugs.

*(They hug.)*

CHASTITY

Hugs again!

BILLY

Hugs again.

*(She hugs him again. She laughs.)*

CHASTITY

You know what's weird? I wish I had smaller boobs. I mean look at these things. They're huge! I'm supposed to do jumping jacks for my exercise, right, and it's like, bounce bounce bounce! They're going up and down!

BILLY

Yeah, that must suck.

CHASTITY

I can't believe I'm saying these things to you! Isn't it great?

BILLY

You know I've never kissed a girl before.

CHASTITY

Wow.

BILLY

Do you wanna kiss me?

CHASTITY

No. That would be weird.

*(CHASTITY spots a picture.)*

Is this your Mom?

BILLY

No that just came with the frame.

CHASTITY

She's really pretty.

BILLY

That's probably why they put her in the frame.

CHASTITY

Do they have all kinds of crazy people in the institution?

BILLY

Yeah.

## Billy & Chastity – Scene 6

*(BILLY and CHASTITY are at the edge of his bedroom. He waits for a moment before opening the door.)*

BILLY

I need to show you something. Okay, eyes closed.

CHASTITY

This reminds me of the time when I was touched inappropriately.

*(BILLY leads her into his room. His MOTHER is on his bed.)*

BILLY

Okay, wait. Stay there.

*(He leaves her for a moment in order to arrange his MOTHER more artistically.)*

Okay, wait. Wait some more.

CHASTITY

What is it—Oh my God?!

BILLY

Cool, huh?

CHASTITY

What did you do?

BILLY

I rescued her. Mom, this is Chastity.

CHASTITY

Hi.

*(She waves.)*

HI.

*(Seeing no response from her, she whispers loudly to BILLY.)*

Is she still in a coma?

BILLY

Yeah.

CHASTITY

Can she hear us?

BILLY

I think so.

CHASTITY

It's nice to meet you. Billy's told me a lot. That sucks about you being in a coma and all.

*(Loud whisper to BILLY)*

Why is she here?

BILLY

She wanted to come home. And since Meg is whore and has taken her room and used it for fornication, the only place for her to go was here. But... and this is the exciting part: You and me are gonna wake her up.

CHASTITY

How are we gonna do that?

BILLY

Well I've been watching a lot of made for TV movies and—

CHASTITY

I know! We could pray!

BILLY

No, but in the movies—

CHASTITY

We'll pray! Prayer always works unless God hates you! Do you go to church, Billy?

BILLY

No.

CHASTITY

You need to go to church, otherwise it won't work. But okay, let's, oh I'm so excited about this! Hugs!

*(She hugs him.)*

BILLY

Hugs.

CHASTITY

Okay, so here's what we do—get on your knees right here. And we'll do it together, okay?

BILLY

All right.

*(BILLY gets on his knees next to CHASTITY.)*

CHASTITY

Dear Lord: It's me, Chastity. Thank for you for the sunny day yesterday, it was really nice. And thank you for the birds that sing in the morning, and thank you for my hair, which is really pretty.

*(she whispers at BILLY again.)*

Okay, now you try!

BILLY

Dear Lord: It's me, Billy. Um... thank you for uh... for... the tree over there. It gives me some shade when it's hot and um... yeah.

CHASTITY

So Billy has a question.

BILLY

Lord, will you please let my Mom wake up?

CHASTITY

And will you let there be another sunny day this week? Thanks! Oh and thank you for bunnies.

*(She gets up.)*

Pretty nice, huh?

BILLY

It didn't work.

CHASTITY

Well sometimes you have to pray real hard. And then sometimes you need to call a televangelist cause God likes them more. And the televangelist gets a whole lot of people praying at the same time, and then it really works a lot better cause sometimes God won't listen you unless you have a lot of people asking for the same thing.

BILLY

Why?

CHASTITY

He's just like that.
